

The Equation of Honor

Doctrine produces integrity which when put under pressure requires probity in order for integrity to be manifested as honor:

$$D \rightarrow \frac{Pr}{IS} + P \rightarrow D = H$$

Doctrine (D)
resident in the
stream of
consciousness
produces (→)
**Integrity of Soul
(IS)**

When **Integrity of
Soul (IS)** is placed
under **Pressure
(Pr)**

and the believer
expresses
**Probity toward
Doctrine (P→D)**

then he is a person
of **Honor (H)**
which is how
**Integrity of Soul
(IS)** is manifested
to the world.
