

The Equation of Honor

Doctrine produces integrity which when put under pressure requires probity in order for integrity to be manifested as honor:

$$D \rightarrow \overset{\text{Pr}}{\text{IS}} + P \rightarrow D = H$$

Doctrine (D) resident in the stream of consciousness
produces (→) Integrity of Soul (IS).

When *Integrity of Soul (IS)* is placed *under Pressure (Pr)*
and the believer expresses *Probity toward Doctrine (P→D)*
then he is a person of *Honor (H)* which is how
Integrity of Soul (IS) is manifested to the world.
